Dear Steve & All at MCS

You've done something remarkable. Thank you

On behalf of all our young patients, their families and staff here at Alder Hey, I would like to thank you for the kind donation of £150.00.

Alder Hey are now in their remarkable new home built in a park – there is nothing else like it in Europe but we want Alder Hey in the Park to be a truly world-leading place. The money you raise or donate is used to give young patients and their families the best possible experience.

Every donation, every skydive, every cake sale and every marathon helps fund the latest life-saving medical equipment and pioneering research, as well as a range of vital facilities. We like to think we're more than a hospital and we're proud of providing a positive, supportive environment for families during difficult times. When you give a gift to Alder Hey, you are supporting some remarkable work and truly making a difference to young lives.

Your support is a truly remarkable thing and really will make a lasting difference. To show you the impact of your donation, as well as keeping you up to date with everything going on here, we'd like to stay in touch. But if you'd prefer to remain anonymous please contact me personally on 0151 252 5726 and if you'd like to hear more about our work, I'd be delighted to hear from you.

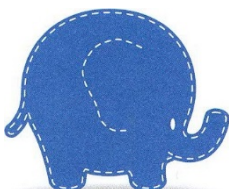

You are now part of a growing community of Alder Hey supporters and it's only with your support that we can help make Alder Hey in the Park a truly world-leading place for our young patients and their families. Thank you so much again for being remarkable.

Yours sincerely

Clare White
Chief Executive
